The Notice and Complaint (still being drafted) shall be filed with International Criminal Court ASAP.

DRAFT: For the Record Notice ITO of Article 15 of Rome Statute & Rendulic Rule Military Necessity doctrine; to Respondents and International Criminal Court: Presidency and Office of the Prosecutor: Respondents are to (A) shut up and get out of the way of the implementation of an Ecology of Peace International Law social contract by becoming unconditional Ecology of Peace Co-operators; or (B) those who refuse without providing sufficient reasonable legal justification for their refusal; shall have their Cheater scarcity combatant Taker genes terminated from the planetary genepool; i.e (be assassinated).

The Complainants Notify the Respondents, ICC Presidency and Prosecutor's Office that:

1. The respondents are to shut up and get out of the way of obstructing an Ecology of Peace International Law Social Contract by becoming EoP unconditional co-operators; as follows:
 - a. All member states are to immediately draw up Ecology of Peace Procreation, Consumption and Production Factor legislative amendments for their national social contracts; detailing their national plan of orderly and humane deindustrialization and depopulation return to ecological carrying capacity limits; to be completed and provided to the applicants, the ICC, and Security Council; by 22 April 2015. The report must include clear, explicit and extreme – i.e. extermination from the planetary genepool by humane assassination – consequences for Taker scarcity combatant violators caught violating the Ecology of Peace Procreation, Consumption and Production factor legislative amendments.
2. In the absence of the Respondents and/or the ICC Presidency and/or Prosecutor's Office filing a legal objection by [date to be provided in official notice]; asserting these requirements against the Respondents to be untrue, erroneous, unnecessary or extreme; the Applicants shall be holding the Respondents criminally culpable for their actions of omission and commission (i) obstruction to the implementation of an Ecology of Peace International Law social contract for humane and orderly depopulation and consumption return to Ecological Carrying capacity limits; (ii) malicious 'saving face' insistence to maintain the Masonic War is Peace international law social contract use of genocide and crimes against humanity as profitable depopulation for the benefit of Masonic corporate and political elite; by (iii) terminating them from the planetary genepool, by means of assassination (i.e. one or more bullets to the being's vital body

extremities – heart, lungs, chest -- resulting in the heart and lungs terminating their live giving functions to the being).
